

REMARKS

Claims 3-20, 22-36 and 39-56 remain pending in the present application. Claims 1-2, 21 and 37-38 are canceled herein. Claims 3-4, 7, 14, 22-23, 27, 29, 36 and 39-56 are amended herein. No new matter has been added.

The Examiner has indicated that Claims 3, 22 and 39 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the features of the base claim and any intervening claims.

Applicants have amended Claims 3, 22 and 39 to be in condition for allowance as stated by the Examiner in the present Office Action. As such, Applicants respectfully submit that the present Application includes no contested Claims and is therefore in a condition for Issuance.

Allowable Subject Matter

The Examiner has indicated that Claims 3, 22 and 39 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the features of the base claim and any intervening claims.

Applicants have amended Claims 3, 22 and 39 in condition for allowance as stated by the Examiner in the present Office Action.

Specifically, Applicants have amended Independent Claim 3 to include the features of Claim 2 and Claim 1, as such; Applicants respectfully submit that presently amended Independent Claim 3 is in condition for allowance as stated by the Examiner in the present Office Action.

Applicants have further amended Independent Claim 22 to include the features of Claim 21, as such; Applicants respectfully submit that presently amended Independent Claim 22 is in condition for allowance as stated by the Examiner in the present Office Action.

Applicants have also amended Independent Claim 39 to include the features of Claim 38 and Claim 37, as such; Applicants respectfully submit that presently amended Independent Claim 39 is in condition for allowance as stated by the Examiner in the present Office Action.

Claims 1-2, 21 and 37-38 have been canceled. As such, Applicants respectfully submit that the present Application includes no contested Claims and is therefore in a condition for Issuance.

Claim Objections

The present office action objects to Claims 37-56 and suggests the claims be amended to recite “non-transitory computer readable medium”.

Applicants have so amended Claims 37-56. As such, the objection to Claims 37-56 is moot.

Claim Rejections - 35 U.S.C. §102(a)

The present office action states that Claims 1, 2, 4-21, 23-38 and 40-56 are rejected under 35 U.S.C. § 102(a) as being anticipated by Lee et al. (US PUB 2003/0225701), hereinafter “Lee”.

Claims 1-2, 21 and 37-38 are canceled herein. As such, the rejection of Claims 1-2, 21 and 37-38 is moot.

With respect to Claims 4-20, 23-36 and 40-56, Applicants respectfully point out that Claims 4-20, 23-36 and 40-56 depend from allowable independent Claims 3, 22 and 39 and recite further embodiments of the present claimed invention. Therefore, Applicants respectfully submit that Claims 4-20, 23-36 and 40-56 are in a condition for allowance.

As such, Applicants respectfully submit that the present Application includes no contested Claims and is therefore in a condition for Issuance.

CONCLUSION

In light of the above amendments and remarks, the Applicants respectfully request issuance of the allowable Claims 3-20, 22-36 and 39-56.

The Examiner is invited to contact Applicants' undersigned representative if the Examiner believes such action would expedite resolution of the present Application.

Respectfully submitted,
Wagner Blecher LLP
